Congratulations !!!

Your Aadhaar Card has been Successfully Downloaded

The Aadhaar letter PDF Password will be in 8 characters
Combination of the first four letter of your name (as in Aadhaar) in CAPITAL letters and Year of Birth in YYYY format.

Example : Your name is ANISH Y KUMAR Your Year of Birth is 1989
Then your e-Aadhaar password is ANIS1989

Go To Dashboard

FINAL WORD

After successful verification, E-aadhar will be downloaded to your downloads folder. The password to open the E-aadhar is first 4 letter of the name in capital and year of birth without any space. For example the name of the Aadhar holder is KERALA and date of birch is 01-11-1956, then password is KERA1956

Wish you Good luck
